Dear Community Member:

Thank you for expressing interest in participating in the Earth Day event at Penny Park on Saturday **April 24** from 10-2. This year will be the 40th anniversary of Earth Day so we are planning several special events and encouraging participants to help make this a fun and interactive event for everyone that attends.

Special events this year include: planting a tree to replace some of those destroyed by last year's fire, creating a time capsule holding memorabilia from this 40th anniversary celebration and burying it under a rosemary bush. There will be various performers in the amphitheater throughout the day. Also this year will be the first annual electronic waste collection event.

To encourage people to visit all the educational/non-profit booths, there will be raffle drawings throughout the day. To enter the raffle visitors must answer a trivial pursuit question at each of the participating booths. These booths will be responsible for choosing a question that relates to Earth Day.

The Gila Resources Information Project (GRIP) has volunteered to be the fiscal agent again for Earth Day Celebration. Please return the form below with check (payable to GRIP) to their office at 305A North Cooper, Silver City, NM 88061. Please contact scarthday@gmail.com or call Carolyn Smith at 388-2343 with any questions. The form needs to be received by us by **APRIL 10th**. Layout will be similar to previous years but contact Carolyn if you need more space (check appropriate box below). Maps will be emailed to you shortly before the event and available the morning of the event and spaces will be marked with Organization/vendor names. Set-up will begin at 8:30 a.m.

Thanks and we look forward to working with you! Earth Day volunteer organizing committee: Allyson Siwik, Carolyn Smith, Dianna Wynn, Miriel Manning, Regina Willis, Terry Timme and Tricia Hurley.
